

**RESPONSE UNDER 37 CFR § 1.111**

Serial Number: 10/027,679

Filing Date: December 20, 2001

Title: COMPUTER USER INTERFACE FOR PRODUCT SELECTION

Dkt: P1089US1

**REMARKS**

Claims 20 through 51 remain in the Application. No claims have been cancelled, withdrawn or added by this paper.

Claims 20 through 51 were rejected on the basis of the doctrine of obviousness-type double patenting as being unpatentable over claims 1 through 17 of U.S. Patent No. 6,359,636.

Submitted herewith is a Terminal Disclaimer (with Statement of Ownership) directed to U.S. Patent No. 6,359,636, which is assigned to the same assignee as the present application.

Withdrawal of the obviousness-type double patenting rejection of claims 20 through 51 is therefore respectfully requested.

**CONCLUSION**

The pending claims are respectfully submitted to be in condition for allowance. Accordingly, notification to that effect is earnestly requested. In the event that issues arise in the application which may readily be resolved via telephone, the Examiner is kindly invited to telephone the Gateway, Inc. attorney at (605)232-1967 to facilitate prosecution of the application.

Respectfully submitted,

Gateway, Inc.
